

EMPLOYMENT BACKGROUND CHECKS

We offer a full range of Professional Pre-employment Screening Services and Background Checks for Employers, Human Resources, Security Departments and Individuals. Statistics show that people lie on their resumes and for employers this presents liability issues. It is imperative that employers run background checks on new and existing employees to protect their business.

Do you
KNOW
who you
are
hiring?

Our 24/7 online secure screening system is available for employers to run and view their background check reports. Reports are easy to read and printable.

The use of pre-employment screening background checks, can help employers avoid:

- **Negligent Hiring Lawsuits** - Pre-Employment screening demonstrates due diligence.
- **Workplace Violence** - History of criminal acts is a major factor in predicting workplace violence.
- **Unqualified Applicants** - Up to 30% of applications contain material falsehoods
- **Time Wasted Recruiting, Training, and Hiring the Wrong Applicants** - one bad hire can cost \$25,000 for a regular worker and 1 million or more for a CEO/Executive.
- **Wrongful Termination Lawsuits** - Yes, even if they lied in the hiring process!.
- **Theft, Financial Loss, Sexual Harassment, and other Workforce Problems**
